

**Block IV: Are we fit for purpose? Our tools and instruments**

Thursday 02.06.2016, 09:45-11:15

<b>Workshop description</b>	
Title	<b>Monitoring, Early Warning and Conflict Transformation</b>
Focus and Key questions	Impact should be measured and changes monitored. In all contexts SDC is working with scenarios in order to “stay engaged”. Notwithstanding good analytical tools, many factors remain unpredictable. <ul style="list-style-type: none"><li>• How is the MERV helping us to assess contextual changes and adapt programs?</li><li>• How can we strengthen national “conflict early warning systems”?</li></ul>
Examples from the field	Sonya Elmer Dettelbacher (Tanzania): Early Warning Systems Boris Maver (Haiti): MERV (tbc)
Resource person / coordination	Sonya Elmer Dettelbacher
Workshop procedure	
Outcome	Choose among the following: <ul style="list-style-type: none"><li>• Exchange and learning without documentation</li><li>• Exchange and learning with individual video statements</li><li>• Written key messages of findings for F2F documentation (used in video / report / page flow)</li><li>• Written key messages of findings and suggestion for a work-stream / working group discussed on Day 3 of the F2F</li></ul>
