

This presentation is part of an internal learning process within SDC. It is work in progress and does not necessarily reflect the views of the SDC or Switzerland.

Triple Nexus Learning Journey

Fragility, Conflict and Human Rights Unit

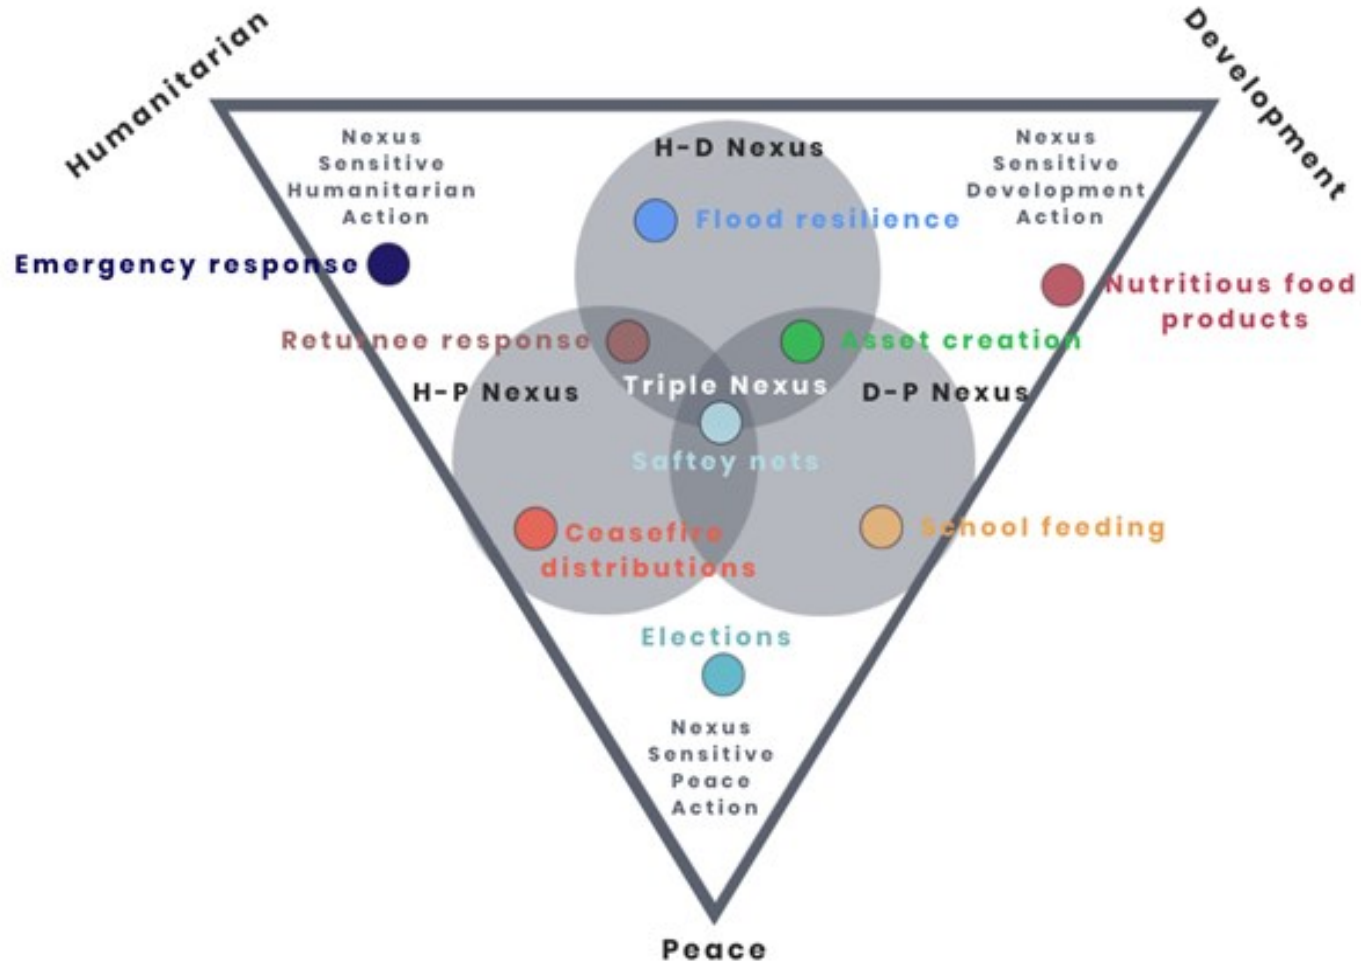

Background + Objectives of the Learning Journey

- From dual nexus to triple nexus understanding
- Develop a common understanding of the triple nexus for the Swiss International Cooperation (IZA)
- Clarify the role of the peace component
- Assess the benefits of the nexus approach and identify conducive factors for its implementation
- Identify operational and institutional bottlenecks

"NEXUS STARTS WITH AN OPEN MIND..."

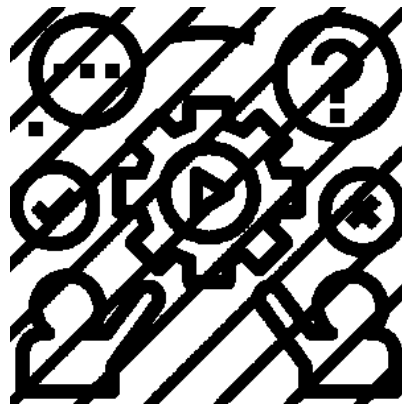

The Triple Nexus in practice

People

Processes

Partnerships

Main Takeaways + Recommendations

- Nexus can take many forms, depending on context
- Nexus approach needs to be bottom-up
- Triple Nexus approach can help to work on peace through several instruments
- **Recommendations:**
 - reduce institutional siloes
 - train relevant staff on nexus literacy
 - continue coordination with partners
