Multi-challenge of the multi-local

Spatial inequality and economic precarity accelerating multi-locality:

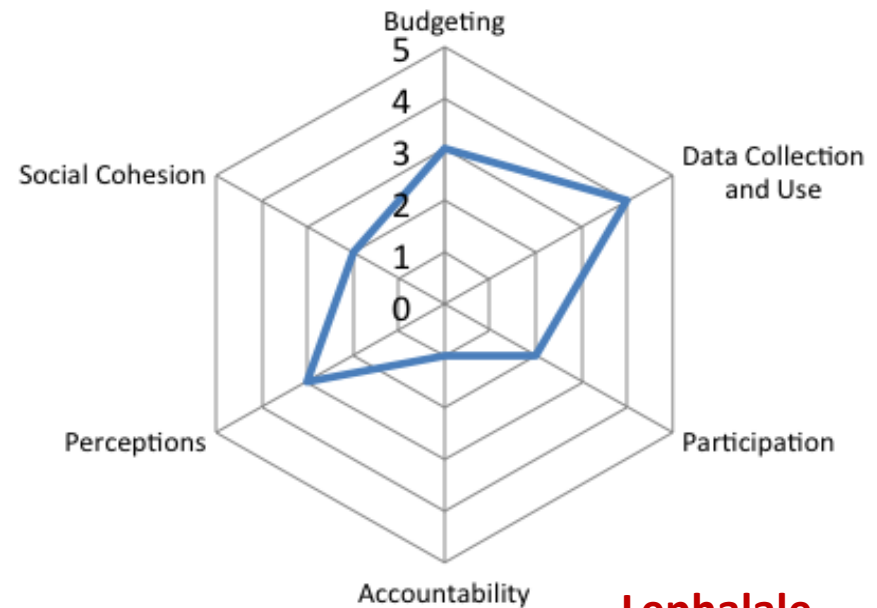

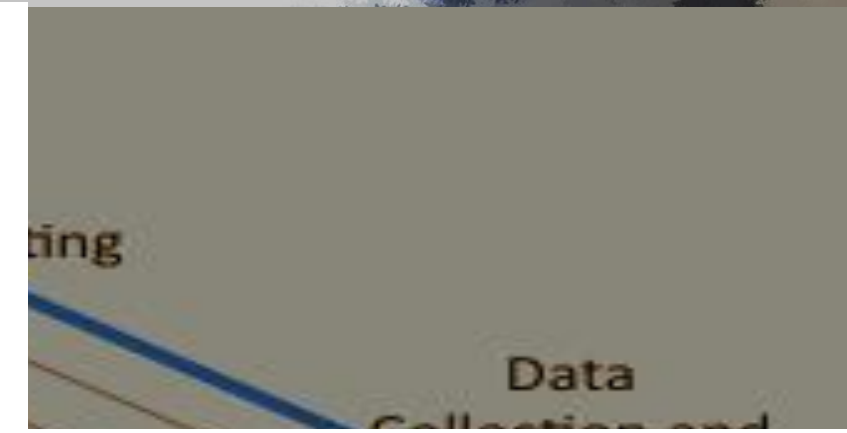

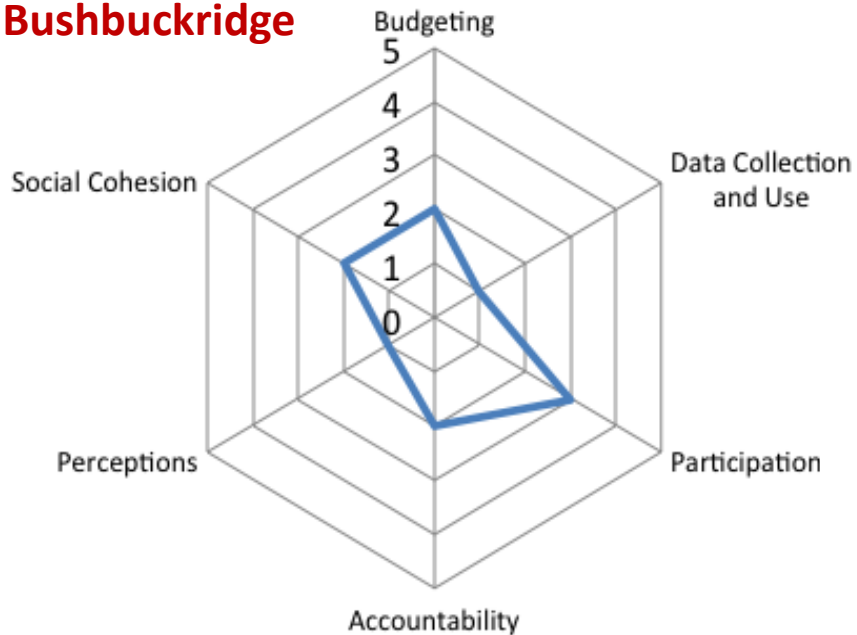

- Developmental failures & successes diversify mobilities
- Calls for redefinition:
 - of jurisdiction
 - of investment in the future
 - of municipal performance
 - of community, citizenship, & participation

Multi-scalar, tailored interventions

I am a man who stands against the mountain and thinks of pebbles. - Frank T. Rios

- Enhanced socio-economic understanding of mobility dynamics
- Educate and incentivise response
- Revisit accountability, performance & participation
- Reconsider conceptions of community & shared futures
