

Beneficiary Assessment

Date: 30 January 2013

Why BA?

- Perspective
- Ethical
- Real

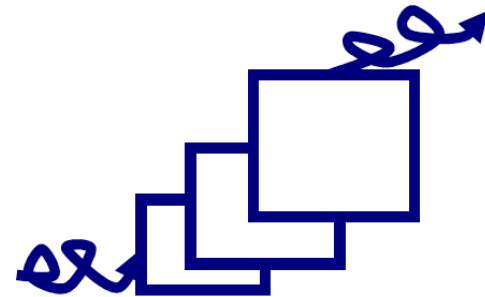

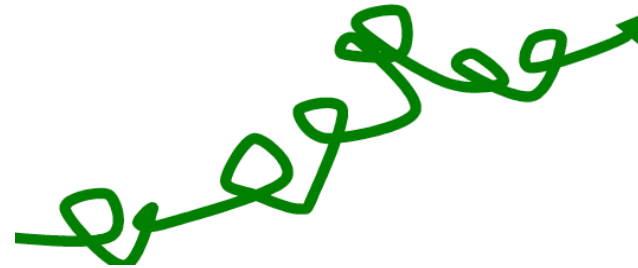

What does it offer?

- Participation and ownership
- Inclusion
- Representativeness
- Differentiation
- Self critical quality
- Responsiveness

What are the beneficiaries assessing?

Doug Reeler (2007), 'A threefold theory of Social Change'

- Emergent change
- Transformative change
- Projectable change

...→ The problem of development projects

...→ Practitioners face the challenge of reading change

The Task

- **Responsiveness** – how can emergent change be understood and acted upon in project management?
- **Difficulties** - What kind of understanding is problematic and what can be done?
