

Dear A+FS network members, if you want to

1. **be better equipped to transform food systems** related to your programmes;
2. render them **healthier, ecologically more sustainable** and **more climate resilient**;
3. **benefit from** a diversity of insights stemming from different secondary **City Region Food Systems (CRFS)** in low, middle and high income countries; and of course
4. **know peers**, who are working on similar programmatic challenges **all over the world, in your region and your working language** and exchange with them;

SAVE THE DATE : Monday, Aug 31st to Thursday, Sept 3rd 2020 in Switzerland in your agenda and inform your supervisors.

Draft programme
