PROGRAMME

ONLINE DIALOGUE 19 NOVEMBER – 7 DECEMBER 2018

Week I: 19 – 23 November 2018

Key question: Which of the key elements of climate resilient agriculture programmes, projects and activities did you experience and how?

Week II: 26 – 30 November 2018

Key question: What are the most important quality criteria and system boundaries you identified for effective programmes, projects and activities aiming at climate resilient agriculture & food systems?

Week III: 3 – 7 December 2018

Key question: Which are the best practices to include all public and private stakeholders that lead the way? What needs to be done to speed up processes?
