

### **Group sessions / working groups**

Here below you find a list of the foreseen workshops for each group session block. The topics of the group sessions are still being developed and we strongly encourage you to come up with your own proposals, as well as to let us know if you have interesting projects related to the suggested topics – this is your F2F and it should revolve around your ideas and contributions! A space to submit your proposals, ideas and interests is provided in the registration form.
