

Photos: Moderation cards of discussions in the

Local Economic Development: Insights and discussions on regional studies Session of the e+i F2F, May 2019, Solothurn

Very few aspects of Sohel's presentation

income inequality
as rationale

Balance
- nat. - Local
- diff. municipal.

Dual approach
min. + local level

National
anchor

Points that came up in the discussion

What kind of
engagement
from SDG?

Informal
institutions
take 10y to
change

Mayors and
business ppl need
to talk

Political patronage
on all sides

Role of
professional
associations?

What is the
productive
sector?
← Agric
← Energy
← Tourism

Directive vs
Facilitative role
of LG?

Intersection
LED & MSD

A lot of
similarities
(Thailand)

What is country
as investment?

LED

Discussion Questions

1. How to enable collaboration btw. E+I & DDLG
2. How to define territories
3. How to incentivize PS & CSO's to enter into partnerships?

Questions that were not really discussed – but prepared ☺
