Employment Fund Nepal

Case presentation of result chain & result measurement plan

EMPLOYMENT
FUND investing in nepal's future
Financed by DFID, SDC & World Bank

Siroco Messerli

Team Leader Employment Fund

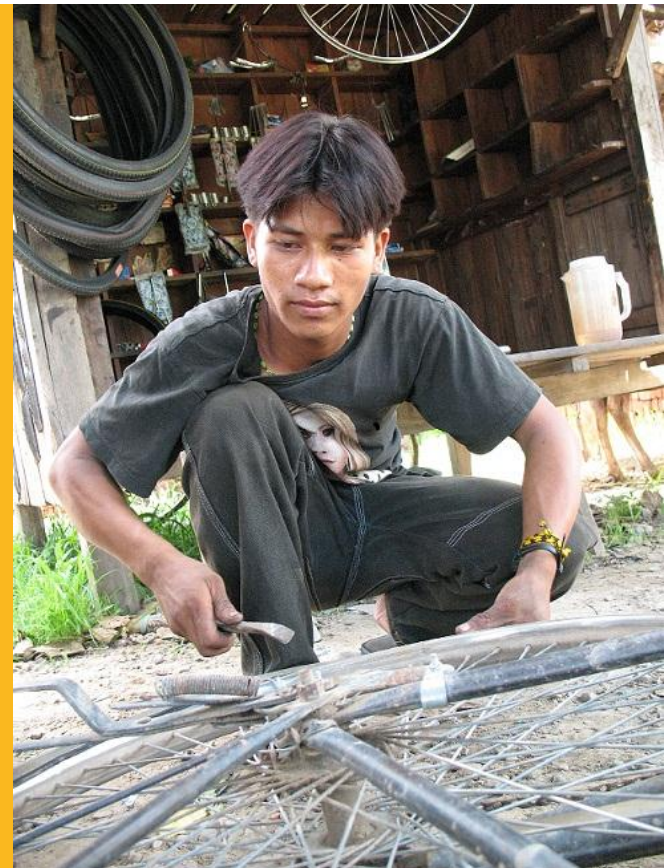

Bern, May 9/10, 2011

Result chain: Training & employment intervention

Task: Develop a result chain for the **training and job placement of annually 14'000 youth** in Nepal.

Context:

- Outcome focus: > 80% of graduates gainfully employed
- Basket fund
- Delivery through private sector Training & Employment Service Providers
- Occupational skills training for poor & discriminated youth
- Job placement, counseling and business start-up support

Result measurement: How is it done in the Employment Fund?
