Education strategy

Education strategy

+ 200 millions

More budget -> higher level -> wider range

The ambassadors' message

«Grand Cru!»

«The bottle or the strategies?»

WAS SAGEN DIE EVALUATOREN

What the evaluators say

HUNGER VERMEIDET AUSBILDUNG

Hunger impedes education

«We have the experience!»

«Listen! A message from Switzerland»

INTEGRATION VOCATIONAL SKILLS
DEVELOPMENT GARANTIEREN

«It's about integrating vocational skills.»

Resilience against violence

«Don't bother me with this nonsense, I am busy.»

Complementarity of Basic Education and Vocational Skills Development

«But we have got this new machine!»

«Nobody can read the manual.»

Prerequisite Basic Education

«I would love to know what's written there.»

Social Empowerment

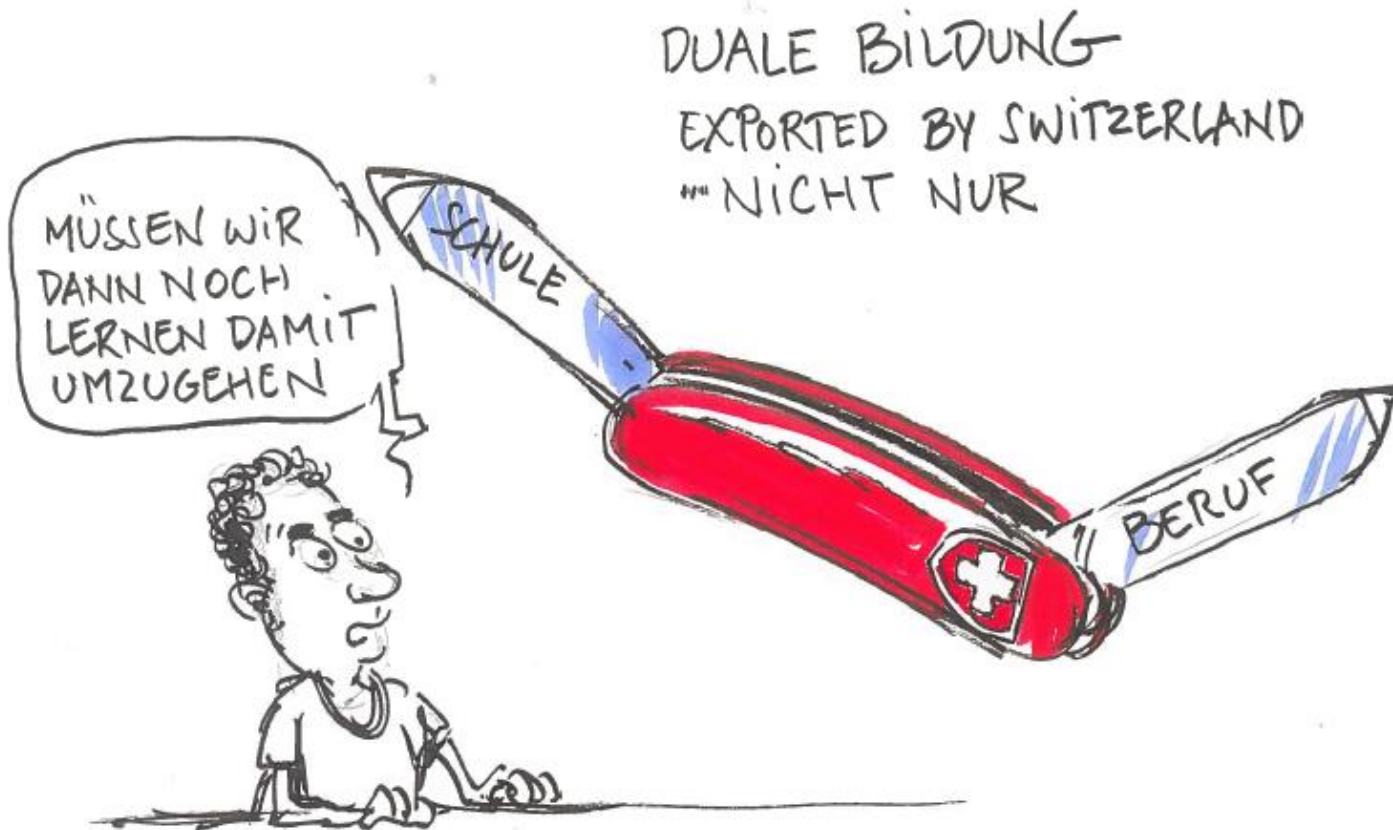

«The great thing about a job: one has a role in society.»

«... and you even earn money!»

Critical emphasis

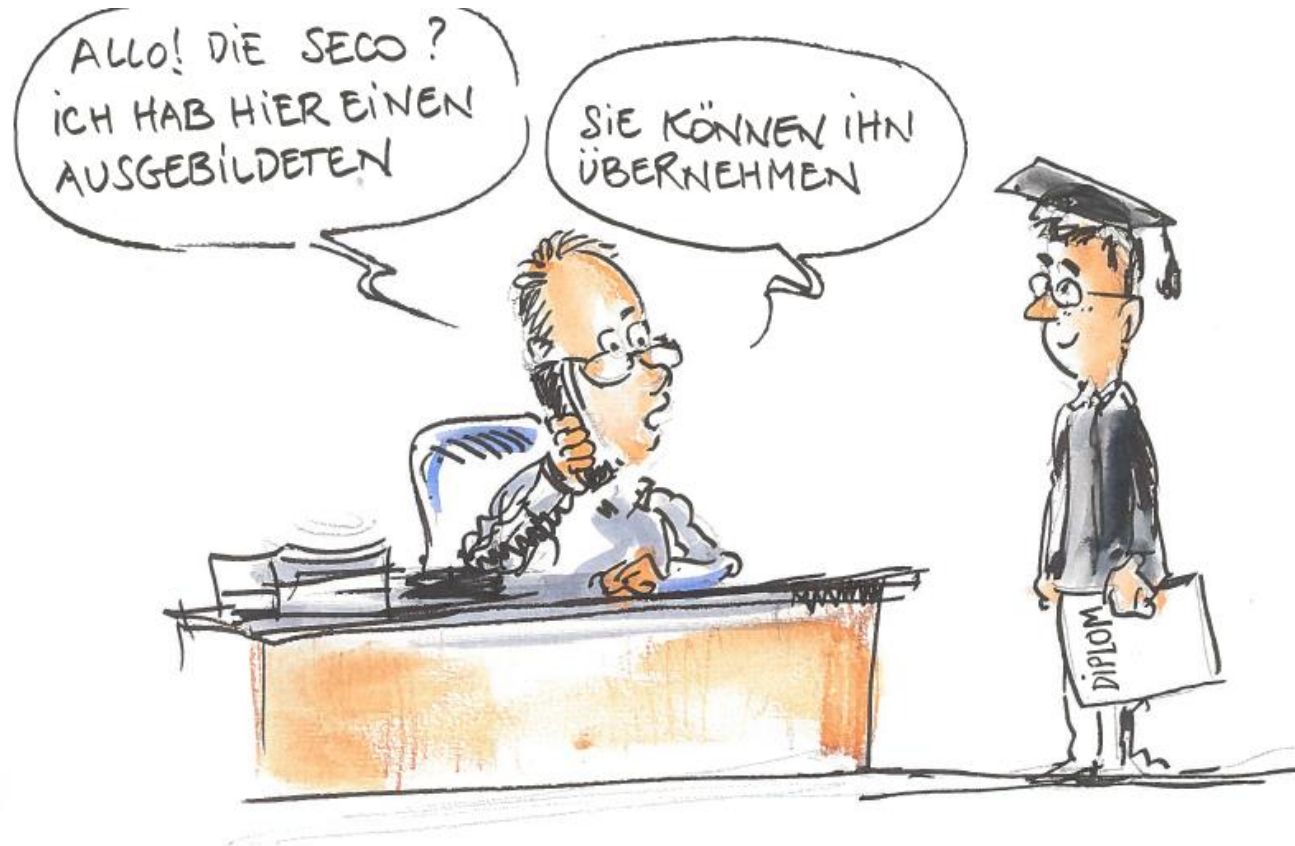

«We will help you, but first we need to define a steering mechanism.»

Dual Vocational Education and Training exported by Switzerland (not only)

School – Workplace

«We first need to learn how to handle it.»

«Hello! The SECO? I have a graduate. You can take over.»

QUALIFIKATION – AUCH HÖHERE BERUFE FÖRDERN

There is a need for higher qualifications

«Ok, I have learned how to build... but there is no one to draw a plan and to instruct me what to do.»

Why aid?

«What are you becoming when you grow up?»

«Poor!»

What the Education Strategy really depends on

Basic Education – Vocational Skills Development

*«Finally, the strategy is launched»
«Now it only has to be implemented.»
«What?!»*

ES SIND KREATIVITÄT UND FLEXIBILITÄT GEFRAGT

Creativity and flexibility are needed
