Kick-off webinar ICT4VET Community of Practice – our response to COVID-19

In this webinar we will start elaborating an overview of distance learning solutions and implementation approaches to tackle the challenge of maintaining VET under COVID-19 restrictions. The output of this webinar will form the basis for our future COP activities.

Everyone is warmly invited to participate in this interactive event. After the webinar you can decide, if you want to participate in further CoP-meetings.

This webinar will be held twice. Join us on any of these two sessions **on Skype for Business**. No registration needed.

- on **Thursday, May 7th, 4-5 pm** (CEST) [Go to meeting](#)
- on **Friday, May 8th 10-11 am** (CEST) [Go to meeting](#)

Programme

1. **Welcome** (Focal Point e+i, 5')
2. **Introduction** (Urs & Christoph, SNBI, 15')
 - a) Which solution works for me? Overview of key learning activities and tools.
 - b) How can I implement this solution? Overview of key implementation areas.
 - c) Clarifying open questions (all)
3. **Sharing our experience and questions** (all, 30')
 - a) Collaborative writing: existing solutions, experience with implementation, open questions
 - b) Synthesis, clarification of open questions
4. **Next steps** (Urs & Christoph, 10')
 - a) Identifying potential topics for further CoP-meetings
 - b) Identifying interest and commitment for participation in CoP

Facilitation:

Prof. em. Dr. Urs Gröbriel is Director of the Swiss Network for Educational Innovation (SNBI). He is serving learners and teachers in disadvantaged areas in several countries in Africa, Asia and Europe in the innovative use of information and communication technologies in education.

Dr. Christoph Pimmer is researcher and consultant at the Swiss Network for Educational Innovation. He brings more than 15 years of experience in digital learning, collaboration and knowledge management in an international context.
