# Small Foundation and SCALE

**FOUND**SMALL**DATION**

# Vision, Mission & Goal

## Vision

- A thriving Africa free from extreme poverty.

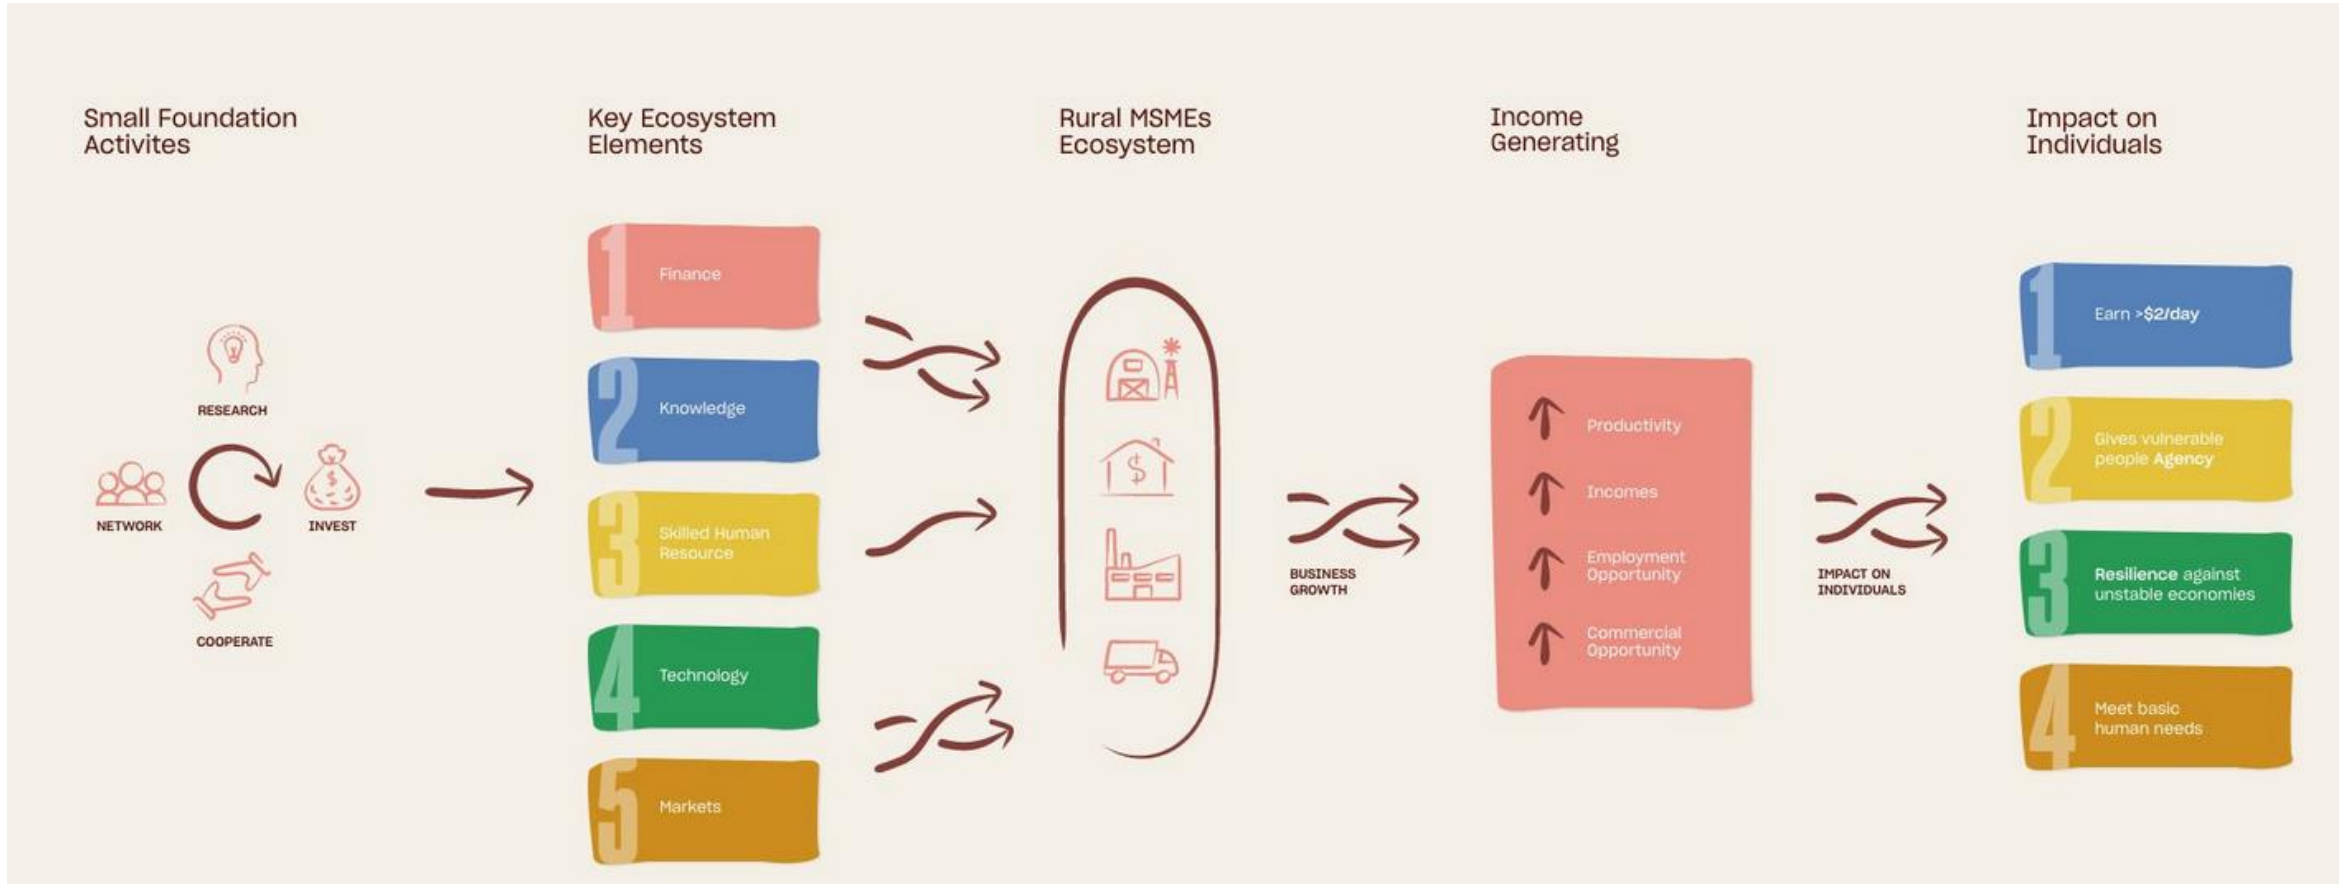

## Mission

- Act with urgency and ambition to catalyse and scale income-generating opportunities for people living in extreme poverty in rural sub-Saharan Africa.

## Goal

- Collaborate with those creating the environment for micro, small and medium enterprises (MSMEs) to succeed and deliver opportunity at scale. In particular, work with intermediaries that increase availability of the finance, social and human capital, knowledge, technology and markets required by a thriving, commercially viable MSME ecosystem.

# Theory of change

*Impact is what drives us and a thriving economy creating commercial opportunities is key to sustainable impact at scale*

# How Small Foundation uses SCALE

## Screening ESOs

- Framework to compare diverse models
- Common language internally and externally

## Dialoguing with ESOs on their model

- Focus on key areas for due diligence
- Allows for discussions on best practices

## Identifying key areas for support

- Agree on partnership areas for greater impact
- Realistic milestones to achieve during funding period

# Thank you!
