(11:30-12:30) What is our Triple Role w/ Selina

As a Gender Focal Point, we have different roles: we are advisors helping our peers in navigating the mainstreaming of gender, we are leaders in pushing for more gender transformative projects, but we are sometimes also facilitators in workshops on gender for example.

In this session we will reflect upon your perceived role, and where you feel most comfortable, exchange with your peers and reflect where you wish to grow further.
