

Without perpetrators, there are no victims. The Fachstelle Gewalt Bern is campaigning for a nonviolent living together. We tackle the problem there where it begins.

Principle

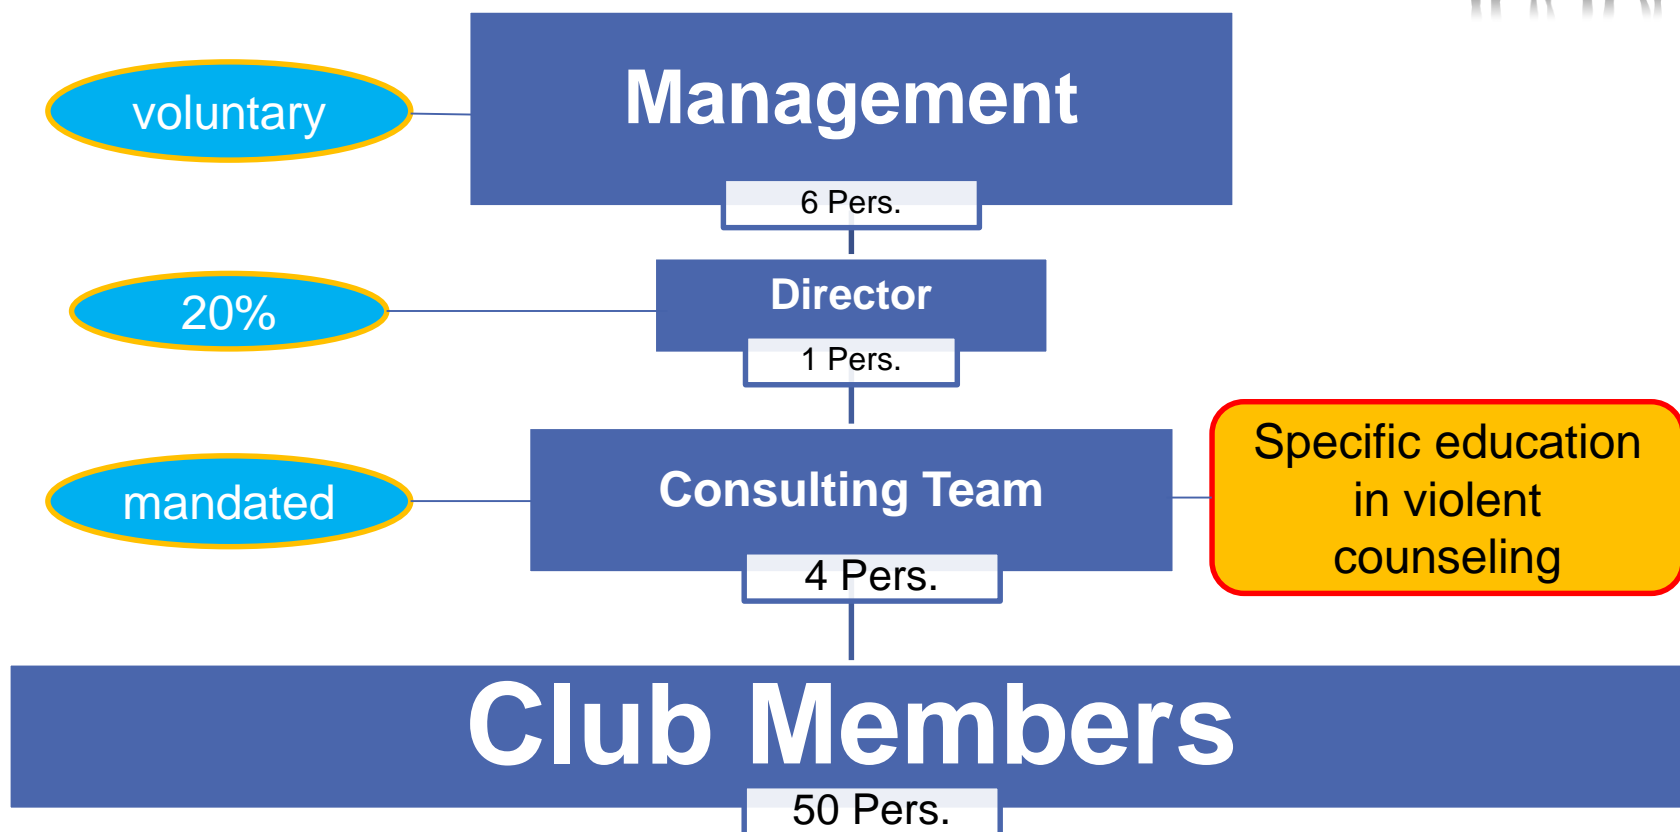

- **Violent behavior is changeable**
- **Work with perpetrator is victim protection**
- **Without perpetrator there are no victims**
- **We are one important element in the “helping system” of domestic violence**

Our Organisation

- **Foundation in 2002 with the name «STOPPMännerGewalt»**
- **Purpose of the association:**
 - **Counseling centre for perpetrators**
 - **Aim: make a change from violent behavior into a non-violent behavior**
- **2007: start a service level agreement with canton Bern**
- **2012: Reorganisation: “Fachstelle Gewalt Bern” ♂ ♀ + adolescent**
- **2014: cost-cutting package: begin restrictions in the SLA**
- **2019: Dissolving the SLA because of non-compatibility restrictions**
