

SDC WATER TEAM DAYS 2014

“Planning for Sub-RésEAU activities in Latin America and the Caribbean”

Date:28.10.2014

1) Members of the Sub-RésEAU ALC:

Nr.	Name	Country	Position/function
1	Urs Hagnauer	Central America	Regional Director Water Programs Central America
2	Carmen Pong	Central America	Director AGUASAN Regional
3	Maria Luisa Pardo	Honduras	Director AGUASAN Honduras
4	José Toruño	Nicaragua	Director AGUASAN Nicaragua
5	Jairo Cruz	Nicaragua	Water Specialist AGUASAN Nicaragua
6	Patricia Pérez	Honduras	Water Specialist AGUASAN Honduras
7	Ricardo Alvarado	Central America	Director, Small Towns and Schools
8	Verónica Galo	Central America	Education Component, Small Towns and Schools
9	Alex Medina	Honduras	Water Specialist AGUASAN Honduras
10	Alfonso Flores	Central America	Communication Specialis AGUASAN Regional
11	Marcelo Barrón	Bolivia	National Program Officer
12	Samuel Diery Mondestin	Haiti	National Program Officer
13	Hans Peter-Reiser	Haiti	Deputy Director of Cooperation
14	Diana Rojas	Colombia	National Program Officer
15	Maly Puerto	Colombia	Water Footprint Specialist
16	Cesarina Quintana	Peru	Senior National Programme Officer
17	Carla Toranzo	Peru	National Programme Officer
18	Thomas Walder	ex-Latin America	Senior Water Expert, former secondee to AquaFund
19	Manuel Turnhofer	Global	Focal Point RésEAU
20	Nathalie Rizzotti	Global	Program Manager, GPWI
21	Andreas Steiner	Global	Program Assistant, GPWI
22	Sergio Pérez	Latin America and Caribbean	Program Manager, DALC

2) Objectives for 2014/2015:

- Increase understanding and participation in SDG agenda post-2015
- Continue progress on collaboration on human rights to water and sanitation
- Increase participation in regional mechanisms: WSP, IDB AquaFund.
- Provide support for quality assurance (collaboration with other thematic networks)
- Monitoring results and lessons learnt from projects of message 0.5%
- Work on better coordination between Global Cooperation and Regional cooperation (+other networks)
- Make use of peer-support, bilateral exchanges, to help solving specific problems.
- Put nexus approach into practice (trans-disciplinary approach, breaking down silos)
- Guarantee management support and human resources for the network.

3) Expected Products by 2015

<ul style="list-style-type: none"> - Translation to Spanish of Flyer “A Water-Secure World for All” - Document with first lessons on practical application of HRWS manual and checklist in pilot project in Central America. - Concrete opportunities of collaboration with IDB identified per country - Multi-Network Regional F2F ALC 2015: Water – Climate Change & Environment – Agriculture & Food Security (E+i) – DRR (July 2015)

4) Action Plan (July 2014 – June 2015):

#	ACTIVITIES	RESPONSIBLE	DEADLINE
1. SHARING BASIC INFORMATION ON PROYECTS			
1.1	Up-loading factsheets on an interactive map on the new Share-Web.	Andreas Steiner	Dec 2014
2. SDG AGENDA POST-2015 Needed: GPWI and RésEAU to clarify and communicate clear strategy and messages to engage with national governments on political dialogue.			
2.1	Translation to Spanish of Flyer “A Water-Secure World for All”	Central America	Sep 2014
