

# SDC Water Team Days 2016 – Documentation

The Water Team Days 2016 were held at 23rd and 24th of June 2016 in Bern and were dedicated to the joint reflexion on the policies, approaches and instruments that will shape SDC's cooperation for water in the next 15 years. 65 RésEAU members have participated.

The event has been documented on the SDC water blog. The documentation of the different sessions can be accessed via the links below.
