

Global Programme Water

Strategy 2017 – 2020

Context

Where we come from

- **Building on solid GPW Strategy 2013 – 2017 → with a clear brand and USP on**
Water Governance, Global Advocacy, Private Sector
- **Historically anchored in a wide network of partners → catalytic effect**
«do better with less by partnering with others»

Basis for formulation

- **GPW strategic framework 2013 - 2017**
- **2015 Global Programs Evaluation**
- **2016 Portfolio-Analysis**
- **Dispatch 2017-2020**
- **Resolutions Human Right to Water & Sanitation**
- **Agenda 2030**
- **Lines of action Water and Peace**
- **DFAE Stratégie de Politique Étrangère 2016-2019**

Challenges

- **Bad governance - the invisible tsunami**
- **Lack of political will to accelerate implementation of Human Rights to Water and Sanitation**
- **Gender Equality & Human Resources**

Opportunities

- **Business Diplomacy and Water Diplomacy**
- **Water a true asset to end poverty**
- **Nachhaltigere Finanzierungslösungen**
- **Digital / Data revolution**
- **New generation**

Implications for the new strategy

- **Portfolio Consolidation**
- **Continuity - water governance engagement**
- **Increased focus & bundling of Private Sector activities and sustainable financing**
- **New focus on youth and gender**

Vision and Mission and Components

- **Vision: A Water-Secure World**
- **Overall mission: contribute to ensuring availability and sustainable management of water and sanitation for all (contribute to a water-secure world).**
 - **Component 1: Water Governance**
 - **Component 2: Water Solutions**
 - **Component 3: Water Voice**
 - **Component 4: Young People and Gender Equality**

POLICY

Policy influencing paired with institutional building and strategic operations in Switzerland and at the global level.

INNOVATION

Promotion of innovative approaches, concepts, processes and technologies in strategies and operations.

YOUNG PEOPLE & GENDER EQUALITY

To empower women and a new generation of young people, including water professionals, as agents of change in both exerting their influence on the water sector and in benefiting from it.

WATER SOLUTIONS

To support acceleration of the achievement of SDG 6 through innovative solutions within valuing water and sustainable financing, technologies, service delivery and water resources management models.

WATER GOVERNANCE

To strengthen good water governance and its determining components on the global, regional and national levels, including both the public and private sector, to secure equitable and sustainable water management, while prioritizing access to water supply, sanitation and hygiene.

OBJECTIVES

WATER VOICE

To enable Switzerland to position itself as an influential and effective player in the international dialogue on water to contribute to sustainable solutions.

LEVERAGING PARTNERSHIPS

Activation of leverage effects for large scaling-up through additional funding, influence and coverage.

KNOWLEDGE MANAGEMENT

Action-oriented knowledge exchange and generation, within and beyond Switzerland.

WORKING MODALITIES

SDC Global Programme Water (GPW)

Transboundary basins/aquifers

- | | |
|---|--------------------------------------|
| 1 Coatán basin | 9 IGAD-Region |
| 2 Goasorán basin | 10 Lake Malawi/Niassa/Nyasa |
| 3 Trifinio aquifer | 11 Pungwe, Save and Buzi basins |
| 4 Sixaola basin | 12 Kalahari-Karoo (Stamriet) aquifer |
| 5 Zarumilla basin, Catamayo-Chira basin | 13 Yarmouk basin |
| 6 Lake Titicaca | 14 Tigris basin |
| 7 Mano basin | 15 Pretashkent aquifer |
| 8 Lake Chad | 16 Sesan, Sre Pok and Sekong basins |

Global projects

The interventions of the GPW at the global scale (not represented in the map):

- Support to UN-Water towards 2030
- Core Contribution to the Earth Security Group
- Water Integrity Network
- Global Water Partnership (GWP)
- Support to UNECE Water Convention activities
- Global Hydrometry Support Facility & Innovation Hub
- Water Supply and Sanitation Collaborative Council (WSSCC)
- World Bank Water and Sanitation Program (WSP)
- Water and Sustainable Sanitation (WASSA)
- Rural Water Supply Network (RWSN)
- Contribution to WaterLex
- Water Resources Platforms: 2030 WRG and the WEF
- Women for Water Partnership (WRWP)
- International Secretariat for Water (ISW)

GPW Objectives

- Water Governance
- Water Solutions
- Water Voice
- Young People & Gender Equality

Low income countries

- Least developed countries
- Other low income countries
- Lower middle income countries
- Upper middle income countries
- Fragile countries

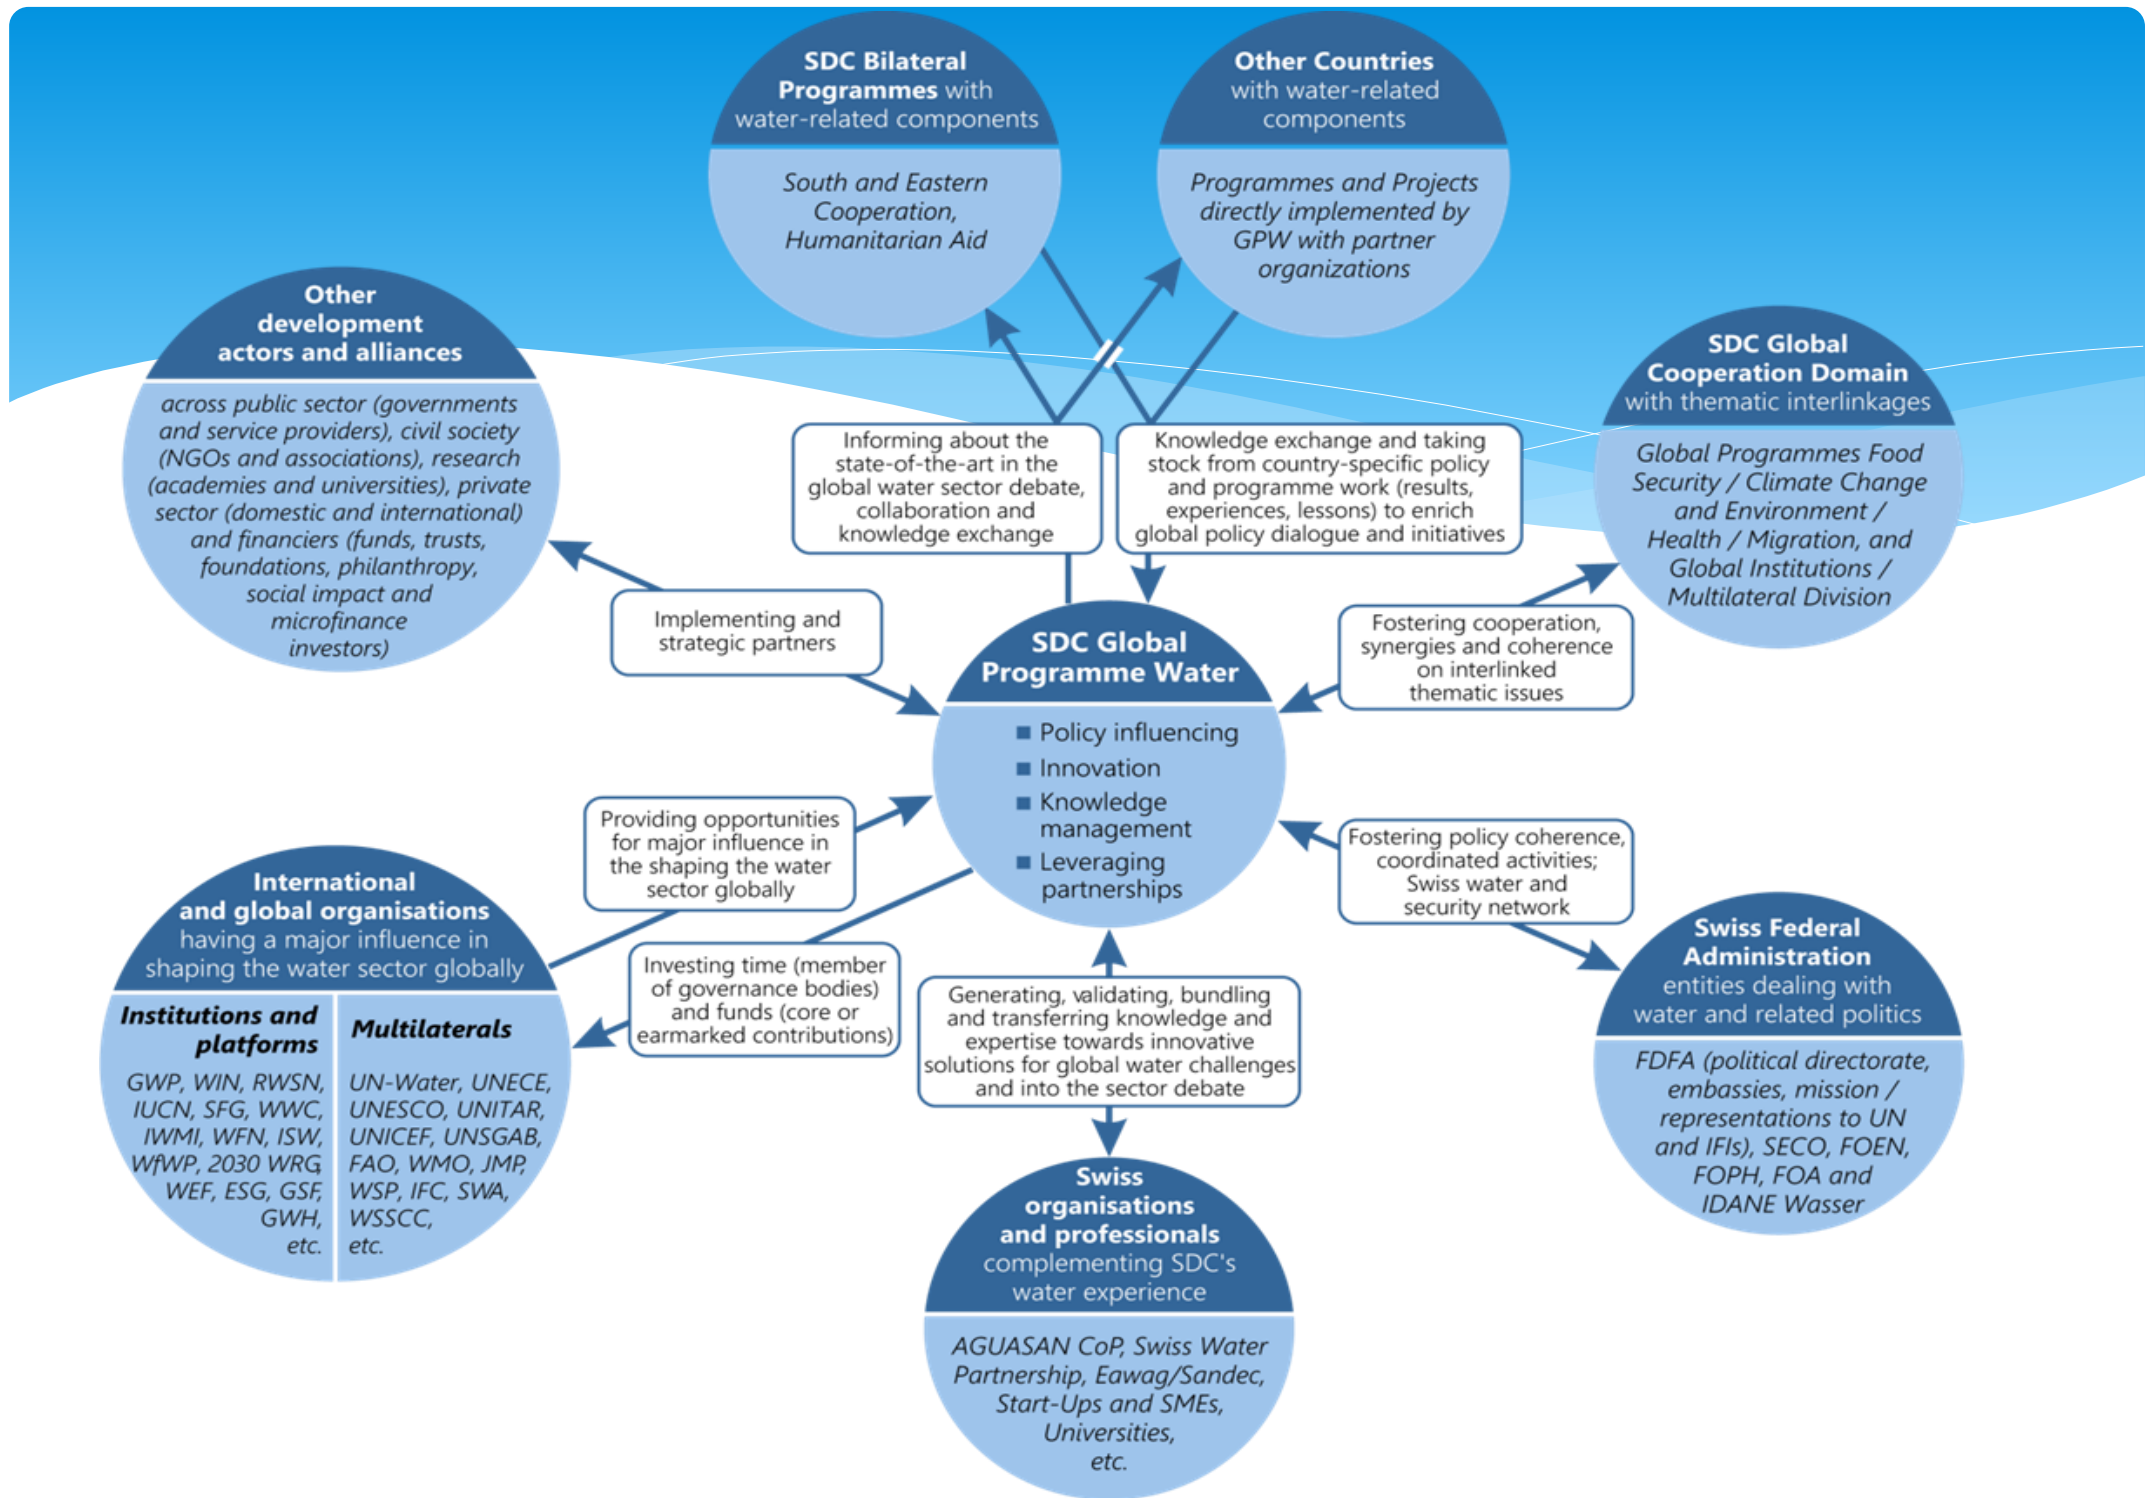

Transboundary basins/aquifers

Projects [number of intervention countries]

* Project also intervenes on a global scale

- Blue Peace Global [1]*
- ⋯ Blue Peace Central Asia [5]
- ⋯ Blue Peace Middle East [7]
- ⋯ Bridge (Building River Dialogue and Governance) IUCN [30]*
- ⋯ Groundwater Resources Governance in Transboundary Aquifers (UNESCO-IHP) [8]*
- ▲ Water and Land Resource Centres CDE [2]
- ▼ Innovative Monitoring and Modelling (IMoMo) [6]
- ◆ Multi-Country Water Integrity Programme [4]
- ▲ Global Sanitation Fund (GSF) [16]
- ▼ Swiss Water and Sanitation NGO Consortium [10]
- ◆ SABA PLUS [2]
- SuizÁgua Andina [2]
- ▲ SuizÁgua Colombia [1]

- Handwashing in Africa [1]
- ▶ Information management system on geogenic contaminants [3]*
- ▲ Coffee production with less water [1]
- ▼ Payments and investments in Watershed services [2]*
- ◆ Safe resource recovery and reuse (RR&R) [2]*
- ▲ Agricultural Water Efficiency and Productivity [3]
- ▼ Scaling-up productive water (small irrigation) [5]*
- ◆ Scaling-up safe water [5]
- ▲ Solidaritéau Suisse [1]
- ▼ Swiss Bluetec Bridge [3]
- ◆ Swiss Water Partnership [1]
- AGUASAN Workshops & Community of Practice [1]

Financial & Human Resources

- **Financial resources**
 - CHF 31 million 2017
 - CHF 30 million 2018, 2019 and 2020

Inclusive consultation process

1. GPW Team process

2. Broad consultation process

- within SDC (GC, OZA,RZ,HH) and FDFA
- Consultation of relevant line ministries (IDANE Water)
- Consultation of GPW national and international partners and networks plus selected ad personam experts

3. Four separate Workshops in Berne:

- SDC internal (23 Feb 2017)
- With bilateral donor agencies (24 Feb 2017 / teleconference)
- Community of Practice – Aguasan (1 March 2017)
- Peer Review Workshop (March 2017)
