

# RésEAU

## SDC's thematic network on water

### OBJECTIVES

RésEAU aims at assuring the sector knowledge management within SDC and with its partners. Its main objectives are:

- SDC and partner staff apply up-to-date knowledge in their water-related work, are connected and exchange among each other
- SDC's water profile is strengthened, coherent and trend-setting

■ SDC members SDC  
 (seconded, SECO, FDFA)  
 ■ non-SDC members Partners

### MEMBERS

RésEAU members are staff of SDC, all divisions included (thematic cooperation, humanitarian aid, regional), and other Federal Institutions active in water-related projects, as well as their implementing partners.

To request membership:

### TOOLS & ACTIVITIES

- Regional face-to-face events
- Bi-monthly updates
- Webinars and e-discussions
- Brief Series
- Thematic learning journeys
- Capitalization support

### SUB-RÉSEAUS

The Sub-RésEAUs are regional sub-networks under the global RésEAU that foster exchange and learning at the regional level.

Current ones are: Africa (Anglophone and Francophone), Central Asia (CA), Eastern Europe (EE), Middle East and Northern Africa (MENA), Latin America and the Caribbean (LAC)

### GOVERNANCE

RésEAU is anchored in the Section Water of the Swiss Agency for Development and Cooperation through its Focal Point.

A core group is formed by SDC staff in Bern and in partner countries, who act as link to the regions and participate in decision making and planning of activities.
